

## Cancellation Policies

**I require 24 hours of notice for a cancelled appointment.**

If you do not call nor show for an appointment, or if you give less than two hours of notice before your scheduled time, you will be billed full price of scheduled time.

If you cancel in less than 24 hours, you may be billed from half to full price, depending upon the circumstances. Reschedules within ONE WEEK will not be charged.

Please call if you will be late! I will wait **15 minutes** before considering you a no-show and charging accordingly.

If I cancel an appointment without 24 hours of notice (barring real emergency), you are given a free one hour session.
